WOODMEN HOLD MEETING

Addresses by Several Visitors Last Night

Alexandria Camp No. 1135, Modern Woodmen of America, held a very enthusiastic meeting last night in their Camp Hall, Pythian Temple. The occasion was the celebration of the fifteenth anniversary of the organization of the camp, and a special program was given.

District Deputy J. A. Doubles, of Richmond, who was chairman of the Virginia delegation to the Head Camp, recently held in Chicago, made a very interesting address in which the members were enlightened in the operation of affairs of the greatest insurance organization in the world.

The Modern Woodmen has a membership of more than 1,100,000, and the insurance carried by its members exceeds $1,650,000,000.

Star Lecturer, W. J. Dixon, who was introduced as "Woodcraft's pain-killer and fun maker," lived up to his established reputation as such and rendered a very entertaining address.

Discussion and unanimous adoption of the Society's by law, revision which will place the Modern Woodmen on an adequate reserve basis and the enthusiastic endorsement of a campaign for 100 candidates for immediate adoption into the camp, were the outstanding features of the business session.

A generous donation for the Salvation Army fund was appropriated by the camp.

GERMAN CRIMINALS

Cannot be Released and Repatriated Now or When Peace is Signed

Paris, May 23.—German plotters and criminals, who have been reached during the war by the strong arm of the law of any of the allied and associated powers, and who are now in prisons or internment camps, cannot be released and repatriated, either now or when peace is signed, but must serve out their sentences, regardless of their German citizenship.

This, in substance, is the allied reply to a note [redacted] German peace delegation [redacted]ting the repatriation of such prisoners at the earliest possible moment.

Premier Clemenceau, who, as head of the Peace Conference, answers Count von Brockdorff-Rantzau's note—the latter, by the way, habitually signs himself merely "Brockdorff—Rantzau"—points as an example to the case of a German prisoner who killed "in cold blood" a farmer and his wife, on whose farm he was put to work. This prisoner was sentenced to death by a court martial. Execution was suspended till the signing of peace in accordance with the Berne convention.

But this murderer must die for his deed, peace or no peace, the French premier explains in his reply, for to reprieve him upon the conclusion of peace would be contrary to the due and necessary court of justice.

BURNS NEGRO TO DEATH

Mob of Whites And Blacks Slays Confessed Murderer.

Eldorado, Ark., May 23.—Frank Livinston, negro, was tied to a tree and burned to death by a mob of about 150 men, both white and black, about 18 miles from here.

It is said that the negro confessed that he killed his employer and the latter's wife, Mr. and Mrs. Robinson Clay, after he had quarreled with Clay. Their charred bodies were found in the ruins of their home.

A mob immediately formed, including many negroes, and captured Livinston. Sheriff Craig and a posse, who attempted to prevent the lynching, arrived just a few minutes too late. No arrests were made.

EPISCOPAL COUNCIL NOW IN SESSION

124th, Annual Convention In Christ Church Winchester

CITY CLERGY PRESENT

Rev. Dr. Berryman Green Chosen Delegate to the General Convention to be Held in Detroit in October.

The one hundred and twenty-fourth annual council of the Episcopal diocese of Virginia opened with the service of Holy Communion at ten o'clock a. m., with Bishop William Cabell Brown, D. D., assisted by the Rev. P. P. Phillips, D. D., of St. Paul's Church, Alexandria, the Rev. Samuel A. Wallis, D. D., professor at the Theological Seminary, and the Rev. John W. Quinton, in charge of Christ Church, Winchester, in the absence of the rector, the Rev. W. D. Smith, D. D., now on his way home where he has acted as a chaplain to the American Expeditionary Force in France The sermon was preached by the Rev. Edward L. Goodwin, D. D., as a memorial to the late Bishop Robert Atkinson Gibson, D. D., of Virginia. It was a noble tribute to the character work and influence of the late Bishop, and is well worthy of publication.

After divine service the first business session of the Council took place at noon with Bishop Brown in the chair. The roll of clerical and lay delegates was then called and a quorum for business was found present. The secretary, the Rev. E. L. Goodwin, was then unanimously re-elected. Bishop Brown then read his annual report. Among the points admirably emphasised by the Bishop, were the importance of the revision of the Book of Common Prayer, and the promotion of Christian Unity. The war has now closed with tragic circumstances in its wake, and yet it has revealed the splendid work of our army in helping to its great decisions in favor of the Allies and the wonderful co-operation of men and women at home. After the bishop's address, routine business was transacted until a recess was taken at one o'clock, the Council to meet for the afternoon session at three o'clock.

Wednesday Evening.

The Council met at three o'clock with Bishop Brown in the chair. Judge Wallace moved that a committee be appointed to consider the question of holding the councils of the diocese hereafter in Richmond, subject to the approval of the bishop. The motion was carried with the consideration from the Rev. Mr. Burkhardt that the council be held in Richmond every alternate year. The next business was the election of standing committees. The nominations for clerical delegates to the General Convention followed next in order, and the Revs. Dr. Berryman Green, W. Russell Bowie, J. J. Gravatt, and W. D. Smith, as the clerical delegates. The lay delegates are as follows:—Messrs. P. H. Mayo, Judge R. Carter Scott, J. S. Bryan and Rosewell Page. The clerical alternates are the Revs. Dr. E. L. Goodwin, W. H. Burkhardt, Dr. Wm J. Morton, elected on the first ballot, and a ballot was ordered to be cast for a fourth alternate. The salary of Bishop Brown was increased to $5,000 per annum, beginning with the first of September next, when he will take up his residence in the diocesan episcopal residence.

The Rev. Dr. Berryman Green, Dean of the Episcopal Seminary, having received the highest number of votes as delegate to General Convention, will be the head of the delegation of the diocese of Virginia to the General Convention of the Protestant Episcopal Church, in the United States which will be held during the month of October next in Detroit, Michigan.

There was a large attendance of clerical and lay delegates at this council.

The general meeting in the interest of diocesan missions took place in Christ Church last night with Mr. Stewart Bryan, of Richmond, as the speaker.

AVERTED A FAMILY TRAGEDY

Judge Induced Young Couple to Get Acquainted

She was so small she could hardly see over the top of the desk. But it was a charming little face that looked up a few days ago at John Redmond, clerk of the South Side Court and it was a gentle, small voice that firmly announced.

"I want a nonsupport warrant for my husband."

Redmond asked the necessary questions. Wanita, for that was her name, was married only last February to a soldier lad just discharged, He was only a few years senior to her 18 years.

Then what was his first name?

"Why," gasped Wanita, "I don't believe I know." And she had to ask a girl friend, who said his name was Ben.

Wanita giggled and admitted the lapse of memory, Ben, a slim straight soldier boy, looked embarrassed.

"Go out and see if you two can get acquainted," Justice Casimir J Welch pronounced sentence.

And when an intruder happened to look in the judge's room later the couple were cooing together as contented as could be and agreeing to "live happily ever after."

PERSHING'S MOVEMENTS

Postponement of Visit to England Causes Many Speculations

London, May 23.—The real explanation of the postponement of General Pershing's trip to England lies at the Quai D'Orsay, not at Marshal Foch's headquarters, and it is a story of many unrevealed diplomatic incidents.

London papers are making a sensation of the incident and there is general curiosity concerning the story, which only a few insiders know.

It is significant that the "Big Four" have just asked Switzerland's attitude in case the blockade is renewed and enforced. Cancellation of General Pershing's visit seems to be only a part of this drama, the full meaning of which may be revealed presently.

65-YEAR-OLD MAN, JILTED, DISAPPEARS

Hagerstown, Md., May 23.—Searching parties have been scouring South mountains, near Brownvile, former Justice Eugene A. Brown, sixty-five years old, for 30 years a school teacher and lately a Government employe in Washington.

Sunday morning Brown, after telling friends he cared to live no longer and sending a letter to a Hagerstown newspaper, stating he was disappointed in love and despondent, left the home of Frank Harrison, Brownsvile, with whom he had been staying for several weeks, and walked toward the mountains. An hour later a shot was heard from the forest.

DRYS WOULD MAKE SAHARA OF ALL WORLD

Plans for a world-wide dry campaign will be discussed at the nineteenth annual convention of the Anti-Saloon League of America, which will be held in Washington June 4 to 8 inclusive.

Delegates from England, Switzerland, Denmark, New Zealand, France, Hawaii, Australia, Japan and China will attend. Attention also will be given to measures designed for the enforcement of national prohibition when it becomes effective on January 16 under the constitutional amendment.

I am mother to the motherless.

I am champion of the weak and the humble.

The poor and unfortunate of 63 countries and colonies know me well.

I serve on the fields of battle in time of war.

MANY KILLED IN BLAST

Explosion And Fire in Plant at Cedar Rapids Takes Heavy Toll

Cedar Rapids, Iowa, May 23.—An explosion and fire wrecked the Douglas starch plant, last night and killed from twenty-five to fifty persons. Twenty-five injured, many fatally, had been removed to hospitals and 200 others were suffering minor injuries.

The night shift of 103 workers had just checked in when the explosion occurred. After three hours rescue work, twenty-five bodies had been recovered, but search was halted by intense heat. Cries were heard in the drying room.

Firemen and returned soldiers were driven back by the flames.

The explosion hurled debris in every direction and shattered windows throughout the business district.

Flames leaped from the mass of wreckage. Firemen who attempted to fight the flames weer handicapped, as water mains were broken by the concussion.

Women and children crowded to the gates, pleading with the firemen and spectators to save their men.

Workers said they believed the explosion was due to an accumulation of starch dust.

Among the injured were many employes who had just left the plant for their homes. The force of the blast hurled them from their feet and in some homes there were casualties from crumbling chimneys.

Estimates of the property loss varied last night. The loss was estimated at more than $1,000,000.

COUNTRY-WIDE WALK-OUT

A nation-wide telegraph and telephone strike is near at hand.

This is the official word that came to the Washington local of the Commercial Telegraphers' Union yesterday. The "get ready" order was issued by S. J. Konenkamp, international president of the union, from his headquarters in Chicago.

The great majority of the workers engaged in the wire industries have voted in favor of a walkout, the notice says. Managers, supervisors, clerks, operators, mechanics, linemen and inside an doutside wiremen are declared to be only awaiting the call to leave their posts.

"The Commercial Telegraphers' Union of America and the International Brotherhood of Electrical Workers have completed their strike vote." President Konenkamp announces. "They are now making a final effort to reach a peaceul solution. Should this fail, the date for a strike will then be set."

W. A. SMOOT & CO. INC.

Your Next Winter's Coal

We do not know what the price of coal will be next Fall and Winter, as the retail price is governed by the price at the mines and the freight.

Our understanding of the present program is that Anthracite coal will advance ten cents a ton a month from May 1st to September 1st, and although we think this program will probably be carried out yet we are not sure of this.

We do know that THE MINES CANNOT PRODUCE, THE RAILROADS CANNOT HAUL, AND THE DEALERS CANNOT HANDLE nearly enough coal during the Fall and Winter months to take care of an ordinary Winter's demand.

This means that coal will have to be mined, transported and delivered during the Spring and Summer to avoid a serious shortage next Fall and Winter.

We advise our customers to take these facts into consideration and order a reasonable supply of coal now.

"Gets-It" Peels My Corns Off!

Any Corn or Callus Comes Off Peacefully, Painlessly. Never Fails.

It's almost a picnic to get rid of a corn or callus the "Gets-It" way. You spend 2 or 3 seconds putting on 2 or 3 drops of "Gets-It," about as

See "Gets-It," peel off corn this way.

simple as putting on your hat. "Gets-It" does away forever with "contraptions," "wrappy" plasters, greasy ointments that rub off, blood-letting knives, and scissors that snip into the "quick." "Gets-It" eases pain. Your "jumpy" corn shrinks, dies, loosens from the toe. You peel the corn painlessly from your toe in one complete piece. That's where the picnic comes in—you peel it off as you would a banana peel. Nothing else but "Gets-It" can do it. Get peaceful, common-sense "Gets-It."

"Gets-It," the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. M'f'd by E. Lawrence & Co., Chicago, Ill.

TO THE VOTERS OF THE CITY OF ALEXANDRIA

The City Democratic Committee urgently requests all citizens who have the right of suffrage to cast their ballots on Tuesday, May 27, 1919, for the Hon. R. Walton Moore, of Fairfax County, for the Congress of the United States.

He is the nominee of the Democratic Panty, and should receive the cordial support of all loyal democrats. A better equipped candidate could not have been selected for the standard bearer of the party. His brilliant mental attainments and lofty traits of character pre-eminently qualify him for the position. If elected, he will discharge his official duties with singular ability, and his constituents will have a representative of whom they can feel justly proud. In order to maintain the present state of prosperity prevalent in the city and district, it is of the utmost importance that the people should have a representative in the National Congress whose capabilities will command influence and respect. It will be impossible to accomplish his defeat if those who have the right of suffrage perform this important civic duty.

Respectfully,
City Democratic Committee,
By Charles Bendheim, Chairman

PRUSSIANISM NOT DEAD

Cries of "Revenge And Recovery of Lost Provinces" May Again be Heard

Berlin, May 23.—One the eve of the German decision of whether to sign or not to sign, it is well for the entente to know that Prussion militarism is not dead. Old army officers are freely prophesying, "Revenge, and recovery of our lost provinces within fifteen years."

The government is spending more tahn $2,000,000 monthly to bring up volunteer regiments. It dares not ignore the militarist spirit which is abroad in the German fatherland.

If the allies refuse the German counter-proposals, the Ebert government will resign, but the National Assembly will not favor resistance unless the growing nationalistic spirit forces its hand.

PROPOSE PACIFIST STRIKE

Zurich Congress Favors World-Wide Move Should New

Zurich, May 23.—The International Congress of Women voted unanimously at its concluding session today to call a world wide strike of women in the event another war is declared.

The proposal was made by Fraulein Hertzka, a delegate from Vienna. It was carried after an amendment had been added providing that the strike should be called even if the war was sanctioned by the league of nations.

The conference also resolved to send a delegation to the meeting of the International Socialist Executive Committee at Lucern, in August, to ask that all Socialists refuse military service in case of a new war.

A delegation was nominated to submit these resolutions to the Peace Conference.

CALLS FORD GUILTY AS BOMB THROWERS

Mt. Clemens, Mich., May 23.—A decision was expected yesterday on the brief filed by Henry Ford to limit the testimony during the trial for his libel against the Chicago Tribune. Attorney Stevenson, for the defense, said he would finish his arguments soon, and the jury was ordered to report at the afternoon session.

Attorney Stevenson talked all yestedray afternoon and continued this morning, flaying the character of Ford.

It is no exaggeration to say that he Federal prisons are filled with men today who said less against the Government and its plans of defense than Henry Ford has said, declared Stevenson. "He is as guilty as the man who threw bombs."

200 HOMES BURNED

Loss by Flames $500,000 Mobile's Center Put in Peril

Mobile, Ala., May 23.—Probably 200 homes, including a half dozen or more small stores, were destroyed Wednesday by fire. The loss to property will exceed $500,000. About 1,500 people are homeless. Millions of dollars worth of river front property, including docks, shipbuilding plants, railroad shops and other property, which lay in direct path of the fire, was saved when the flames were checked at the western boundary of the Alabama Dry Dock and Shipbuilding Company's property.

It was the opinion the people in need will be cared for by a citizens' relief organization.

The flames started in a trash pile in the yard of the Cunnigham store. The business section was threatened when the wind gradually whipped around from northwest to west and then almost southwest.

The fire virtually burned itself out, but only after twenty blocks were lost.

RICHMOND—Dorothy Dalton

Dorothy Dalton comes to the Richmond today as "The Lady of Red Butte" a Paramount picture.

It's a gripping picture of a Western town; of a queer evangelist; of the curse that he called forth on the town and the inhabitants thereof—and of what happened then, all of which you can't afford to miss.

Ingomar—"A Woman's Experience"

The attraction at the Ingomar Theatre tonight is the great Bacon-Backer production of Paul M. Potter's dramatic masterpiece, "A Woman's Experience." This is the author's most sensational story since "Trilby."

GRAND THEATRE

A veritable storehouse of historical information is "A Royal Democrat," which will be presented at the Grand Theatre tonight, and which features attractive Marguerite Mars and Jack Conway.

Dealing as it does with a period in history when conditions were very unsettled and in the first state of turmoil over the birth of democracy, it involves a mixture of styles and scenes that are seldom necessary in modern production.

Also a two reel Keystone comedy will be shown.

LION'S ESCAPE

All Woodbury, N. J., Barred Doors Till Frenzied Beast Was Killed

Lucy a lioness in the side show of the Cook Brothers Circus, after killing John Henry, a negro circus employe, in her cage, ran into the circus lot, which is the center of Woodbury of between 5,000 and 6,000 inhabitants.

Instantly cries o "a lion is loose," arose, and hundreds of persons who had been enjoying the show began to run about wildly. Ushers tried to restrain the frantic spectators, but in vain.

The alarm was carried through the county seat in a few minutes. Mothers ran into the houses with their children and bolted their doors. Stores were closed. Teachers were notified not to allow any pupils to leave until the lioness had been captured or killed.

Meanwhile farmers and others gathered up guns and revolvers and hurried toward the Manly lot, where the circus tents were pitched.

William Miller, a cowboy, with the circus, and a marksman, finally brought down the lioness after she had hidden in a nearby brush. He pumped eight bullets into her body before she dropped. Then he continued to shoot.

Other circus employes had been discharging shotguns, rifles and revolvers, and it was estimated that 100 shots were fired. With the sound of exploding firearms, the shouts and yells of the frightened people were mingled with the roars of the other wild beasts of the circus.

Henry, who was 30 years old, and lived in Newburg, N. Y., and who was recently discharged from the army, went into Lucy's cage to clean it. Lucy was guarding two 3-year-old cubs.

Henry drove the lioness mother in to a barred section of the cage, but dind not lock the iron door that separated her from him—merely closing it. Then he began to fondle the baby lions.

The angry mother launched herself against the unlocked door, bursting it open. And a moment later her great jaws had crushed the negro's neck.

Presbyterian General Assembly Picks Philadelphia for Meet Next Year

St. Louis, May 23.—The Presbyterian General Assembly yesterday selected Philadelphia as the place for the annual meeting in 1920. Yesterday meeting will mark the semi-centennial anniversary of the union between the new and old schools of Presbyterianism which was consummated in that city in 1870.

A delegation from the convention of the Missouri Diocese of Episcopal Churches, now being held at Christ Church Cathedral, visited the Presbyterians in session formally to exchange greetings.

A telegram was read containing greetings from the Northern Baptist Convention, which is in session in Denver.

The assembly is on record as completely indorsing the rights of labor and favoring the interchurch world movement. Support of the rights of labor carried full recognition of the right of workers to participate in every decision touching their prosperity and happiness.

Chic and Neat Frocks for Home Wear

A house dress may be as neat and attractive as you please, even though it may never be worn outside of the house, and makers of these house dresses are learning to take the utmost care in cut, fit and finish of even the humblest frocks, and though it needn't cost much it can certainly claim the right to be neat.

The materials are ginghams and percales chiefly, plain colors, also stripes, plaids and checks. Not all styles at all prices, however, the better qualities and more dressy styles at the higher prices. Some are trimmed with contrasting colors—the checks, stripes and plaids trimmed with plain colors, and the reverse. Others have collar and cuffs of pique or swiss embroidery.

There are both Billie Burke and regulation house dresses in the collection. All sizes, but not all sizes in all styles.

At $2.95 to $6.95
